## POWER UNIT PU-2525

## **FEATURES**

Ceiling mounted unit Highly efficient

Low heat yield

Low noise

LED airflow display (optional)

Universal power input

Loaded HEPA indicator

Power: 110-240 VAC; 1.75 A

Heat load: 214 BTU/hr

Size: 25" x 25" x 14" H

Weight: 49 lbs

**HEPA filtration:** 99.99% or better on 0.3 micron particles, Military Std MIL-STD-282 / Industry Std IEST-RP-CC-034

**HEPA replacement:** Annual certification recommended

Remote Display: (optional)

> Shows airflow

> Shows filter status
