

POWER UNIT PU-2525

FEATURES

Ceiling mounted unit

Highly efficient

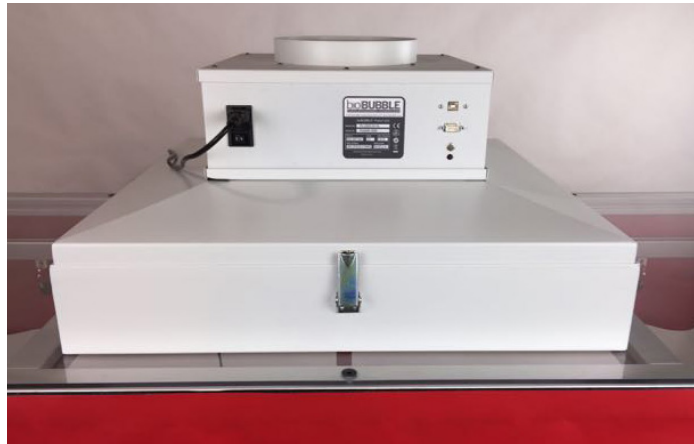

Low heat yield

Low noise

**LED airflow display
(optional)**

**Universal power
input**

**Loaded HEPA
indicator**

TECHNICAL SPECIFICATIONS

Power: 48 VDC; 1.75 A

Heat load: 214 BTU/hr

Size: 25" x 25" x 14" H

Weight: 49 lbs

HEPA filtration: 99.99% or better on 0.3 micron particles, Military Std MIL-STD-282 / Industry Std IEST-RP-CC-034

HEPA replacement: Annual certification recommended

Remote Display: (optional)

> Shows airflow

> Shows filter status
